

# From Head to Toe Animals Free Printable

1. Print the pages 2 and 3.
2. Send the letter and the activity page home to parents.
3. Have a show and tell in class and talk about the pictures your children shared on the activity page.
4. You may opt to print page 3 only and create your own letter for the parents.

Dear Parents,

We are talking about body parts in school using Eric Carle's From Head to Toe book.

We would like to emphasize about the different things they can do – like their talent or something they just learned to do well.

Please take a picture of your child performing his/her talent or doing a newly learned skill. Post the picture on the accompanying page and send it back to school.

Talk to your child about the picture you took and share how proud you are of him/her.

Thank you very much.

Respectfully,
